Will the fact of two inundations in one year of the Infirmary Farm, in consequence of floods in the Ohio river, be of any import in the matter of the Fiscal Court at its next meeting, in taking action in looking to the selection of a more healthful and suitable location for an up-to-date Infirmary and grounds? THE LEDGER hopes it will.

New School Building!

Owing to the fact of the School Board's having bought the old Parkhouse (our warehouse) for the site for the new High School Building, we are obliged to move all our vehicles within the next 60 days; and we have figured that it would be better to sell them than to move, a storeroom in Maysville is pretty scarce just now, and besides it is very expensive to move four or five carloads of crated vehicles.

Therefore!

We are beginning today the most phenomenal sale of vehicles ever held in Maysville, and a word to the wise should be sufficient. "If you are contemplating the purchase of a rig of any kind, now is your opportunity."

The present big flood in the Ohio river has proven the most enigmatical proposition that has confronted the erstwhile weather and river Prophets in this city during their born days. Ordinarily they would hit within a reasonable distance of the bull's eye; not so in this instance, it was either above, below or sideways of the center. All problematical deductions went askew and counted for naught. This morning, however, THE LEDGER can state without fear of contradiction, that the water has receded, and at this hour, 9:00 o'clock the gage actually marks 58.9 feet, having receded 3 tenths.

Police Court.

In the Police Court yesterday there was little doing, only three offenders contributing grist to the mill.

Mira Jones, disorderly conduct, \$4.90.
Carrie Milton, same offense, \$4.90.

John Spencer, assault and battery, held to the Mason Circuit Court in the sum of \$200 and in default was committed to Jail.

"Si Plunkard" is a play combining both comedy and pathos in that way which has so often been spoken of as that "the laughter chases away the tears." A play to enjoy lasting popularity must possess these qualifications or else fail to long interest a fickle public. It is necessary to touch the strings of the human heart—a simple truthful story. This most successful rural drama will be presented here with Mr. J. C. Lewis in the title role. It is promised that it will be given in a superb manner by a company of unusual excellence. Si Plunkard will be seen at The Washington Thursday night. Watch for the funny parade by Si and his Farmer Band.

It is food in the most easily

food does, but quicker, and if
your stomach is weak it does you
good just the same.

CREAM TOO GOOD FOR HIM.

Tramp Had Saved House, But He Was
No Prodigal Son.

"One night as I was sleeping under
a haystack on a farm in Connecticut,"
said the tramp, "I awoke to discover
that the farm house was on fire. The
roof had caught around the kitchen
chimney and the family had not been
aroused. I made for the house at
once, gave the alarm, found and put
up a ladder, and after the hardest kind
of work extinguished the flames. I had
my hair singed and my hands blistered
and after it was all over the old farmer
wanted to know how I happened to
be on hand. I told him, and after a lit-
tle thought he said:

"Well, you must be thirsty, and
I'll have the wife get you a drink of
milk."

"He called to her to fill a pitcher,
and as I was washing my hands at the
kitchen door I heard him say:

"Hanner, be sure to skim the milk
before you give it to him. He's a
tramp and not used to cream."

"I politely declined the milk when
it was brought out, telling the farmer
that I didn't wish to deprive the pigs
of their breakfast, and as I started off
to find new lodgings he said:

"You had lodgings in my haystack,
and that's worth a quarter, but being
your put the fire out I'm willing to call
it square."

VALUE OF THE FAMILY BIBLE.

Will Be Hard to Get Historical Data If
It Disappears.

Professor Frederick Starr, head of
the anthropology department of the
University of Chicago, in relating to
his class some of his experiences in
the Congo incidentally called attention
to the fact that the old-fashioned fam-
ily bible, with its birth and death re-
cords, was rapidly disappearing from
homes in civilized countries.

"In not one-half the families to-day
were we able to get the exact age
and place of birth and other desired
data," he said. "It is even more diffi-
cult to get such information in Africa.
I think if the Bible, or some such book
as the old-fashioned Bible of the civ-
ilized home existed these historical
facts would be the more easily learned,
and of course the moral influence
would be greater."

Professor Starr also called atten-
tion to the motto of the Congo Free
State—"Labor and Progress." The
motto, he said, was well known among
the natives, young and old.

"It is notorious here that few Amer-
icans know the motto of their own
state," concluded Professor Starr.

SHORT TALKS BY
L. T. COOPER.

THE STOMACH.

My but peoples' stomachs do cause a
lot of trouble. I offered to wage some
doctors in St.

C. H. POWELL.

Paul, Minn.,
that one half of
all sickness is
caused by the
stomach. After
I assured them
that my medi-
cine did nothing
but put the
stomach in shape
and they had
spent a day list-
ening to what
people who cal-
led on me had to
say, they had to

agree with me. They heard people come in
and tell me that for years they had been near
the grave with Bright's disease, or lung
trouble, or kidney complaint and all man-
ner of diseases and that the New Discovery
had cured them. Of course these people
were mistaken; it was nothing but their
stomachs. As a matter of fact when the
stomach gives out most everything else is
thrown out of order too.

When a person feels tired and dull and
despondent, is loosing flesh and don't
sleep well, has a poor memory, a bad
taste in the mouth, a coated tongue, and
other troubles he's liable to believe a lot
of things are the matter with him. Nine
chances to one it's his stomach. I've
seen Cooper's New Discovery bring back
health to too many people in just this
shape to believe anything else. Here's a
letter about it:

"I suffered for a long time without
knowing just what was the matter with
me. I seldom felt like eating. I lost
greatly in weight. My digestion was ex-
tremely poor and when I did eat I
invariably suffered afterward. I was con-
stipated and frequently suffered from nerve
racking, violent headaches. When I heard
of what the Cooper remedies were doing
for others I resolved to try them."

"Relief came with the first bottle. My
appetite and digestion improved rapidly.
I am no longer constipated nor do I have
those dreadful headaches. I sleep well
and am gaining flesh." C. H. Powell, 13
Harrison Addition, Duluth, Minn.

We are selling immense quantities of
these medicines and our customers expres-
great satisfaction.

It was a hen egg from his bennery on the hill, and upon the small end of the egg was imprinted in bas relief, the almost perfect face of a baby.

Mr. Wallace is now expecting other works of art on his eggs. He can only account for the photo on the egg by imagining that the mother of it swallowed a small kodak.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

OVERTAXED

Hundreds of Maysville Readers Know What It Means

The kidneys are overtaxed; Have too much to do.

They tell about it in many aches and pains—Backache, sideache, headache, Early symptoms of kidney ills.

Urinary troubles, diabetes, Bright's disease follow.

A Maysville citizen tells here a certain cure. Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills I was troubled with severe spells of backache and kidney complaint which came on every few months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
